Special ammo chart

Which special ammo does the most damage against each armour level, from the official wiki's Ammo page.

What each type does

Ammo	Effect
Hollow point	+50% damage; enemy armour counts 50% more
Piercing	Enemy armour counts half
Incendiary	+40% damage
Tracer	+10.00 accuracy

Best to worst by target armour

Armour	Order
0	Hollow point > incendiary > piercing > regular
20.00 to 28.57	Incendiary > hollow point > piercing > regular
28.58 to 39.99	Incendiary > piercing > hollow point > regular
40.00 to 44.44	Incendiary > piercing > regular > hollow point
44.45 to 56.40	Piercing > incendiary > regular > hollow point
