War preparation sheet

A sheet for faction leaders and members to get ready for a ranked war.

Leadership, before the war

- [ ] Confirm the start time in TCT and tell every member in their own time zone
- [ ] Check the opponent's size and recent wars
- [ ] Agree targets, call signs and who calls attacks
- [ ] Make sure any running chain is finished before the war starts
- [ ] Stock the armoury with medical items, temporary items and refills
- [ ] Agree how rewards and payouts will be split, and write it down

Every member, before the war

- [ ] Save a fighting loadout and check your ammunition
- [ ] Have medical items ready and your medical cooldown low
- [ ] Stay out of jail and hospital at the start time
- [ ] Plan when you will be online and tell your faction
- [ ] Do not travel during your planned online hours
